BASEBALL & SOFTBALL 2019 CAMPS CELEBRATING OUR 18TH YEAR!

The focus of the Ken Ulrich Baseball and Softball Camps will be around teaching each individual the proper way to play the game, while also stressing the importance of having fun and enjoying everything that the great games of baseball and softball has to offer.

In every camp week, running from 9:00 to 2:00, Monday thru Thursday, Ken Ulrich and his staff will teach the fundamental skills that will help each camper succeed on the field. It is important for youngsters to learn the proper techniques in all areas of the game, so that when each child finishes camp, he or she will have a greater understanding of how to practice and play the right way in order to improve their own personal ability.

Areas such as hitting, fielding, pitching, catching, and baserunning will all be emphasized with drill sessions in the morning, followed by games among other campers in the afternoon. Also, each camper will learn a number of different drills, many of which can be used from little league level all the way up to the Big Leagues, in every aspect of the game that can be practiced in one's own backyard or at a nearby park.

Each child's camp experience will be sure to be a fun one, with at each week's end, there will be a pizza party for all of the campers, where several prizes will be awarded, including Mets and Yankees tickets, batting gloves, and fielding gloves. Each camper will also receive a free Ken Ulrich Baseball or Softball Camp T-shirt!

All campers will have the opportunity to win the following raffled prizes every week:
